

Safe places to cross the road

Here are the **safest places** to cross the road:

Patrol crossing

Pedestrian crossing

Traffic island

Zebra crossing

Pedestrian crossing with a cone for blind or visually impaired people

Activity

1. Look at the map below, and highlight the **safest places** to cross the road. Also, can you spot any dangers?

Safe places to cross the road

2. Think about your journey to school. Answer the questions below:

Are there safer places to cross the road?

How many roads do you have to cross?

**Think of your route to school
from your home...**

How many road signs do you see?
What do they tell you?

How can you make your journey safer?

Are the roads country roads or streets?
