

CHESHIRE FIRE ALERT

A community messaging system brought to you by Cheshire Fire and Rescue Service for the whole of Cheshire

Residents and businesses across Cheshire can subscribe to a message warning system, which has been launched by Cheshire Fire and Rescue Service.

People who subscribe to the free online system can choose to receive text messages about:

- Incidents and emergencies near their home or workplace
- News from Cheshire Fire
- Firefighter recruitment
- Safety at work
- Information for people who are deaf or hard of hearing

Register now with Cheshire Fire Alert, you will receive news for your area of Cheshire - direct to you as an e-mail, mobile text or voice message.
