

National Framework 2012 Compliance

PRINCIPLE 7 COMPLIANCE TO NATIONAL FRAMEWORK 2012

OWNER
Chief Fire Officer

The priorities in the National Framework are for fire and rescue authorities to:

- identify and assess the full range of foreseeable fire and rescue related risks their areas face; make provision for prevention and protection activities; and respond to incidents appropriately.
- work in partnership with their communities and a wide range of partners locally and nationally to deliver their service.
- be accountable to communities for the service they provide.
