## **BEFORE COMPLETING YOUR APPLICATION:**

Your application is the first step in the recruitment process. It will be reviewed by a panel of Cheshire Fire and Rescue staff, including a manager from the hiring department. The panel will assess your suitability for the role by comparing the details you provide with the job description and person specification

You may submit a typed or a handwritten application. If you hand write your application, please ensure that your handwriting is clearly legible.

**Please ensure that your supporting statement is no more than the maximum number of words stipulated on the application form. Anything over this will be discarded and not marked against the shortlisting criteria.**

The **supporting information** is a key part of your application so take your time to complete this. You should carefully read the job description and advert, ensuring you evidence the essential criteria in the person specification and your ability to meet the principal responsibilities detailed in the job description in your supporting statement.

When reviewing your application we will look for evidence that you have the skills and experience required for the role.

For example, if one of the requirements on the person specification is '*Excellent attention to detail*'.

***A poor answer would be – 'I have excellent attention to detail.'***

***A strong answer might be – 'I have excellent attention to detail. For example, when carrying out a task I ensure that I have all the relevant information and equipment before I start. I then follow a check list that I designed to make sure that no element of the task is missed. Before handing the work onto the next person, I run a final check to make sure that all the data is complete and correct. Where possible I ask for feedback so that I can make improvements for next time.'***

The poor answer is just a statement. The strong answer gives clear, practical evidence of the skill.

When you have completed the supporting statement, you must make sure that you submit it and your CV or application form to the HR Resourcing Team before the closing time and date.

Your application may not be considered if it is received after the closing date.

Keep a copy of your application to help you prepare if invited to an interview or assessment.

Please ensure that you include a contact phone number and email address. It is important that you complete the **Equal Opportunities** section of the application as this helps us to monitor our recruitment process. You will also need to complete the declaration form.

If you are successful, we will ask you for **2 referees** as part of the pre-employment process. As previously stated, they will not be contacted without your permission.

All applicants are required to disclose details of any unspent convictions in accordance with the **Rehabilitation of Offenders Act 1974**. Any disclosure of an unspent conviction will not automatically disqualify your application unless the nature of the offence renders you unsuitable for the post. All such disclosures will be considered on an individual basis.

For employees who will have contact with children or vulnerable adults in the course of their duties, an **Enhanced Disclosure** will be carried out. For further information on DBS checks, please refer to [www.homeoffice.gov.uk/dbs](http://www.homeoffice.gov.uk/dbs)

If you are successful at interview and offered a position, we will carry out right-to-work checks and request original certificates for the educational qualifications listed in your application.
