Workshop	19	19

3. The total number of audits or inspections that resulted in no action needed.	
2023/24	2024/25
*	*

\*Providing a response to the third request would take longer than 16 hours of dedicated resource as this would require over 3000 records to be manually checked. System capabilities and reporting features that are now available to carry out this exercise were developed in 2025 and so are/were not available for the 2023-24 and 2024-25 period.
