

FOI 1776 - Data

Please find below the information requested regarding fires involving e-scooters or lithium batteries in 2020, 2021 and 2022 to date.

E-Scooter Fires

Year	Fires	Injuries	Fatalities
2020	3	0	0
2021	0	0	0
2022	1	0	0

Lithium Battery Fires

Year	Fires	Injuries	Fatalities
2020	5	2	0
2021	5	0	0
2022	3	2	0

Please be aware that there is no specific category on our data systems for e-scooter, electric scooter or lithium batteries. The information provided is based on a keyword search for 'e-scooter', 'electric scooter', 'lithium battery' or 'lithium batteries' on our incident recording systems. Therefore, the data provided may not include all fires involving e-scooters or lithium batteries unless these keywords were recorded on the incident logs.
