

Please find below the information requested regarding fires caused by Solar Panels or Photovoltaic Panels from 1st January 2010 to date.

Year	Total Fires
2010	0
2011	0
2012	0
2013	0
2014	1
2015	0
2016	0
2017	1
2018	1
2019	0
2020	1
2021	0
2022	2
2023	0

Please be aware that there is no specific category on our data systems for Solar Panels or Photovoltaic Panels. The information provided is based on a keyword search for 'Solar Panel' or 'Photovoltaic Panel' on our Incident Recording System. Therefore, the data provided may not include all fires involving Solar Panels or Photovoltaic Panels unless these keywords were recorded on the incident report.
