Please be aware that there is no specific category on our data systems for E-Scooter, Electric Scooter, Electric Bike or E-Bikes. The information provided is based on a keyword search for 'E-Scooter', 'Electric Scooter', 'Electric Bike' or 'E-Bike' on our incident recording systems. Therefore, the data provided may not include all fires involving E-Scooter or E-Bikes unless these keywords were recorded on the incident logs. The data does include fires caused by E-Scooter or E-Bike batteries.
